

Bespoke Emailers

- Please supply your HTML file and any image files in a ZIP file (maximum email body width is 600px).
- Please supply a subject line for the email.
- Do not make images absolute links as they will be hosted on our mail server.
- Use web safe fonts and keep the "Call To Action" positioned near the start of the email. Stay on target – keep the message focused.
- Don't forget the "View in Browser" link – ``.
- TEST IT! Testing can be performed by any suitable method, but we suggest Limtus for quick testing solutions (<https://litmus.com>). Suggest testing in Outlook, Hotmail, Yahoo and Gmail for both desktop and mobile platforms.

The image displays three overlapping promotional email banners. The central banner is for WD-40 Specialist Motorbike products, featuring three cans of Chain Lube, Chain Cleaner, and Chain Wax. It includes the text "LIMITED SPECIAL OFFER FROM" and "FREE* CASE OF CHAIN CLEANER when you buy a case of Chain Wax and a case of Chain Lube HURRY, THEY WON'T HANG ABOUT". The left banner is for Polaris, with the headline "Polaris Dealer Want" and "Are you looking for a growing, high potential product to drive your dealership forward?". The right banner is for Solero | cap hpi, featuring a person on a scooter and the headline "valuations your language!".
